TO: PRESS ROOM BAA BOSTON MARATHON

FROM: DP Communications

DATE: 21 April, 1986

SUBJECT: Race tracking board

THIS MEMO SENT TO YOU FOR ACTION ☐ INFORMATION ☒

Designed by Mary O'Connell of the John Hancock, the tracking board is updated from the information from the BAA Officials on the course. From the checkpoints at miles 5,10,15,20,25, the half marathon, and 10,20, and 30 kilometers, the information is relayed to you by NYNEX Mobile Communications. At miles 19, 21, 22, 23, 24, 25.2 (one mile to go), the race status is relayed by DP Communications with two way radio.

Mr. John Schide will provide the mile by mile time splits for the wheelchair runners. Mr. Christopher Lane will report for the men and Mr. William Hanlon for the women.
